

## CHOSEN VISION MEN'S HOME

*From Ground Breaking (May, 2014) to  
Move In (February/March 2015)*

**We're here!**

Move-in day has come and gone, and we've quickly settled into our new routines and our new bedrooms, in our new home! As you can see, we're all about the same age (varying from 22 to 34). Some are fans of Michigan State, while others cheer for the University of Michigan. We do enjoy each other's company. Below we are all cheering on Michigan State at a recent hockey game!

The house is fully staffed and each of the residents has chores, including laundry! Each goes to school during the day or has various responsibilities in the community.

Having the boys move from their homes of many years to their new homes did take a little adjusting. As Mrs. Hyatte wrote: "After mass confusion over which house I was referring to when I used the term "home" Nick set me straight and said, "Listen Mom, the DeWitt house is my home and the other is yours."

Dean, Jackson, James, Marcos, Michael, and Nick, welcome to your new home! We're so glad you're here!

## Meet Our New Residents:

Jackson Hyatte

Jackson is 23 years old and is currently enrolled in the IISD School-to-Work program which allows him to work part-time at Peckham, Inc. while attending school. He is very social and is a current member of ASPPIRE of Michigan social training group. He also enjoys playing sports. Jackson participates in the Special Olympics floor hockey and basketball programs. He also plays ice hockey with the Ann Arbor Rockets and attends the MSU Sports Skills program. In his free time, Jackson loves to play music, garden and split firewood with his Dad.

Nick Hyatte

Nick is 21 years old. He is currently enrolled in the IISD School-to-Work program where he divides his day between school and work at Peckham, Inc. Nick loves to play sports. He plays ice hockey with the Ann Arbor Rockets and attends the MSU Sports Skills program. He also plays floor hockey and basketball with the Special Olympics. Nick also enjoys socializing and attends the ASPPIRE of Michigan social training group. On the weekends, Nick loves to play music and ride his ATV around the farm.

Dean Simmon

Dean is 34 years old and has 2 older stepbrothers and one younger sister. All of his siblings live in Michigan. Dean has three part time jobs: one at St. Jude Church, one at the DeWitt Library, and one at Clinton County RESA. Dean is a huge U of M fan and loves going to football games. He regularly plays golf with his dad every Sunday when weather permits. Dean is very personable and loves being around people.

Michael Pilditch

Michael is 22. He has an older brother Colin, and a pet dog named Bella. He attends Okemos High School and will graduate this spring. He is excited to have a graduation open house! He has been keeping busy this winter with a Broadway theatre class, MSU Special Olympics unified basketball, and going to MSU basketball games. He is looking forward to warmer weather so that his dog Bella can visit DeWitt and check out the park there. He likes to swim, play basketball, go to musicals and anything to do with Disney! He is very excited about his new house, and moving in with "his guys".

*To Our Donors/Suppliers/Contractors: So many have helped to make our men's home a reality. This project started with just a few parent's asking questions. The idea quickly took off, and before you know it, we had a groundbreaking. In less than one year, the house is complete, our residents have moved in, and the home is almost entirely paid for. We are truly thankful for the time, talents and treasures of those who have given so much toward making this project possible! A huge Thank You to all of you!*

James Lindsay

James was born in Virginia. He has an older brother, Michael, and a younger sister, Ashley. He graduated from Haslett High School in 2011. He enjoys working at the Kellogg Hotel and Conference Center, where he has worked since the fall of 2012. He likes hanging out with friends and playing on his iPod. He likes riding his bike and bowling with friends. He enjoys swimming and roller skating. He loves macaroni and cheese, pizza and grilled cheese sandwiches. He does not like fish, brussels sprouts, or spinach. He likes walking around the mall. James is very excited about moving out to the new men's home!

Marcos Castillo

Marcos previously lived in East Lansing with his mom. During the week he attends Heartwood School in Mason. He likes being part of group activities and has enjoyed attending Okemos Special Needs Day Camp and the MSU Sports Skills Program. Trail walking, basketball, swimming, drumming, music and dancing are ways he keeps himself moving. For quiet activities, he watches DVDs and looks at his books about animals. Marcos is eagerly looking forward to moving into the new Chosen Vision Men's Home.

### **Hale Golf Outing:**

Last August we held the 7<sup>th</sup> Annual Golf Scramble to benefit the Developmentally Disabled. The event was sponsored by Everitt Realty (previously Long Lake Bar and Grill) and was quite a huge success. Again, Chosen Vision was selected as a beneficiary along with Autism Deliver the Dream Camp.

There were 21 foursomes that participated. The food was donated by Alward's and Kocher's Market, Wicker Hills GC hosted the event and Bernard

Building Center provided some tokens for all.

Carole Wilson of Everitt Realty was incredibly generous with her time in organizing this event. The response and turnout for this event surpassed all previous events and we are truly grateful to her for her compassion to our organization. Carole has been a long time donator/supporter to Chosen Vision. Thank you Carole and to all who helped make this event a success!
