In Loving Memory of Laura Ellen Carpenter

It is with tremendous sadness, that at the age of 56, Laura peacefully passed away on July 18, 2026, surrounded by family.

Born May 5, 1970, Laura battled with the challenges brought by Down Syndrome. She successfully graduated from Freedom Acres through Ionia School District, in Michigan, and achieved many life skills that the world said she could not.

She enjoyed music, Pepsi, ice cream and shakes, and loved golf cart rides with her parents. She was a landlubber, averse to any activities involving water. Laura resided at Chosen Vision in Grand Ledge for the past 18 years, where she enjoyed many activities and outings.

Laura was a quiet presence in the family house, often happily sitting in her chair with her magazine. She taught us unconditional love, and she will be deeply missed.

Laura is survived by her parents, Dale and Marcia Carpenter, and sisters Ann Selleck (Bill) and Karen Carpenter-Shoals (Scott). Also surviving her are nephews, William Selleck, Sam Selleck (fiancée Dakota Koenigsknecht), and Brendan Shoals. Aunt Margaret Yock and extended family are also left to mourn her passing.

A VIEW FROM THE CHAIR -

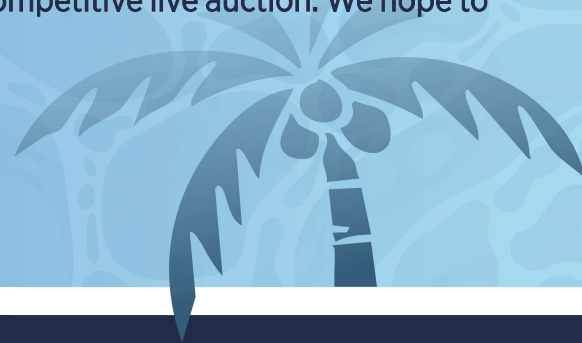

Chosen Vision continues to evolve as we serve our residents each day. Every home is either planning a fun vacation

or has already enjoyed one. It is a joy to see the smiles and expressions of awe as residents explore new parts of our great state of Michigan. Staff members at each home are also participating in a summer-long contest to see which home can visit the most parks in the Lansing area. The competitive spirit is alive and well—and there may even be a little friendly banter along the way!

Thanks to your generous donations, we continue to grow our endowment fund. The long-term sustainability of Chosen Vision remains a top priority for the Board of Directors, and we are grateful for the many ways you help make that possible.

We invite you to attend the Chosen Vision Banquet on Friday, October 23, at Eagle Eye Conference Center. You will experience the joy of our residents as they celebrate their successes from the past year. The fellowship at this heartwarming gathering makes it a highlight of the year for our residents. Everyone is welcome, so bring your best arm-raising strategy for the competitive live auction. We hope to see you there!

2026 CHOSEN VISION Golf Marathon

Words can hardly express the pride and gratitude we feel following this year's Chosen Vision Golf Marathon. On a beautiful, sunny day, 46 golfers took to Hawk Hollow Championship Golf Course. Participants joined us from Colorado, New York, Chicago, Washington, D.C., and our local community. Some completed more than 100 holes, while others planned to play 18 or 27 and ultimately surpassed 50. Thanks to their extraordinary effort and the generosity of our supporters, we raised more than \$190,000 for Chosen Vision.

With these proceeds, we immediately ordered two new Ford Transit passenger vans, completing our planned upgrade of all five vehicles in just over 15 months. The Board had anticipated that this process would take nearly four years. We are deeply grateful for your continued generosity and support.

Our residents came out to cheer on the golfers, enjoy the food, and ride along in golf carts. The marathon is a special highlight of the year for everyone involved. We could not make this day possible without the many volunteers whose time and energy keep everything running smoothly.

The Hit It to Win It contest grew tremendously this year. A wide variety of donated prizes filled the practice putting green, and golfers playing at Eagle Eye even crossed the street to join the fun. The contest alone raised more than \$6,000.

Mark your calendar for Friday, June 11, 2027. Whether you play golf or simply enjoy a day filled with laughter and community, we would be delighted to have you join us at Hawk Hollow. It is an incredibly rewarding day. Thank you again to everyone who made this year's marathon possible.
